

Chamber Music WILMINGTON

Dear Wilmington Arts Patron:

Chamber Music Wilmington is celebrating our **25th Anniversary** of bringing outstanding classical music to the Wilmington community! Here is your chance to help support the arts in your community AND advertise your business in a full-color publication that will be handed out to every patron at each of the four concerts of our 2019-2020 season- **approximately 1,000 seats.** We have a stellar line-up consisting of ACRONYM, Quartetto di Cremona, Volante Winds, and a Mix Tape Anniversary Celebration to close out our season with an intoxicating mix of classical favorites - both artists and compositions.

The patrons who attend the Wilmington Chamber concert series are a blend of those with strong, longstanding roots in our community and new retirees who have interests in investments, legal services, entertainment and leisure. Your advertisement will be associated with our upcoming season sponsors including Brightmore and Carolina Bay, Landfall Foundation, and the Arts Council of Wilmington.

Your generous support will not only ensure that we can continue to provide the highest quality performances and educational outreach in the years to come, but it will get the word out that **YOU support the arts and your community.** To learn more about CMW, please visit us at www.chambermusicwilmington.org.

We thank you in advance for your support of the arts in Wilmington.
